2026 YTD Highlights

June 2026 - Outcome Bias #BroTip

I got more questions on #EXICOM trade than on this one. That's outcome bias. Most people don't want to learn how to trade... #BroTip

Insight: Strong example of how people chase outcomes rather than process.

June 2026 - GOLDIAM Live Lesson

This is a live example of why you should never take your eyes off a position just because you got stopped out. #BroTip

Insight: Key reminder on position management and not abandoning setups.

May 2026 - Losing Streaks Management

Losing streaks are inevitable... Cut down size after 4 losses... This is how I slow down losses and press on profits. #BroTip

Insight: Practical rules for drawdown management.

May 2026 - Scan Questions Mistake

"I didn't get the names... Which scan?" Classic beginner mistake. Answer in video.

Insight: Highlights common beginner errors.

April 2026 - 30-50% Move Filter

If the answer to 'Can it give a 30-50% move?' is not convincing yes, not worth watchlist. #BroTip

Insight: Excellent watchlist trimming rule.

Jan 2026 - Best Time to Learn

Best time to start learning is when markets are bad... You learn defense first.

Insight: Mindset gem on timing your learning phase.
